

Printable: Commercial Search & Results

With RPR search, you'll have instant access to more than one million active listings from partnered sites such as Biproxi/OfficeSpace.com, Brevitas, CREXi, Catylist, and TotalCommercial.com. Plus, the ability to search 56 million off-market properties

How do I search for properties in RPR?

- 1 Toggle *Commercial* from the search bar on the homepage.
- 2 Enter a specific address, APN or Listing ID or enter a neighborhood, zip code or other defined geography.
- 3 Select your *Type/Status*.
- 4 Select the Calendar icon to set date parameters to your search.
- 5 Select your *Property Type, Price, Building* and *LOT*.
- 6 Click *Filters* to access advanced search options.
- 7 Click the to search.

PRO TIP

Under Property Type, keep the *Commercial* property checked as this is a catchall property type and can house a mixture of properties that you may be interested in.
